On the way to Strasbourg we will enjoy a half-day in Munich, taking in some of the sites, sounds and tastes of Germany's favorite city. From Strasbourg we'll continue along the Rhine to Mannheim, another great German river city and a childhood home of our very own chaplain - Father David Mott. from Mannheim. On the banks of the Rhine, Speyer is one of Germany's oldest cities, with its origin as a Roman military encampment. It is noted for significant medieval buildings, the most important being Speyer Cathedral, burial place of eight German kings and emperors. The cathedral is the largest Romanesque church in Europe and a UNESCO heritage site. When the cathedral was built (ca. 1025 - 1106) it dwarfed every other church of the period. Its vaulted ceiling was the highest of its day when it was constructed. The commanding exterior is enhanced with majestic towers on the east and west ends. Speyer Cathedral was one of the most architecturally influential churches of the 11th and 12th centuries. Near the cathedral is the Magdalena Cloister where St. Edith Stein taught for eight years at the convent school. The Cathedral Quarter and Speyer's old town are walkable areas that join the Maximilianstrasse street with its shops, restaurants and cafes. Return to Mannheim for dinner and overnight.
