

PROROME

TOUR BROCHURE

MASTERFULLY OPERATED CATHOLIC PILGRIMAGES **EXCLUSIVELY PLANNED FOR PRIVATE GROUPS**

The transmission of the Catholic faith should be the defining theme of your pilgrimage. Too many pilgrim groups are paired with guides who comment on the Faith, instead of sharing it with conviction. If this is your concern, then ProRome is the solution. All of our guides are practicing Catholics with a commanding knowledge of and deep love for the Church. Our pilgrimages give emphasis to daily Mass, the veneration of relics and thought-provoking tours which explore our Catholic heritage in its saints, martyrs and incredible history.

About ProRome Tours

If your group desires a deeply Catholic and professionally executed tour, ProRome is the partner for you. Our experience encompasses hundreds of groups from across North America, representing parishes, diocesan and arch-diocesan pilgrimages with priests and bishops, and Catholic high schools and various Catholic organizations.

We are a full-service tour company, which means we handle both business-to-business and business-to-client aspects of tour operation: trip planning, trip packaging, brochure and web page creation, trip promotion, billing, and every aspect of the trip itself.

MOST POPULAR DESTINATIONS

Italy

The Bel Paese is our most popular destination, Rome first and foremost. We also offer tours that feature Venice, Florence, Siena, Assisi, San Giovanni Rotondo, the Amalfi Coast and more.

The Holy Land

We've replicated our Italian touring model in the Holy Land through partnerships with the best guides and tour directors in Israel. Walk in the footsteps of Christ and grow closer to Him on one of our pilgrimages!

France, Spain & Portugal

Medieval pilgrim routes across Europe reached the edge of the Iberian peninsula at Santiago de Compostela, the third great Christian pilgrimage site. Our tours through France, Spain and Portugal all encounter the Way of St. James!

Why ProRome Tours

WHAT SETS US APART

While many companies claim to offer Catholic pilgrimages, some end up falling short. The Faith feels like just a part of the experience, not the experience. We're here to change that.

All Inclusive

Our tours are all-inclusive. The only thing we leave out is one meal per day, so that you'll have time to relax or explore on your own.

Custom Itineraries

Our tours are fully customized for each particular group.

Accommodating

Food allergies? Slower walker? Young or old? No problem! We can accommodate everyone on our tours.

Professional

You'll be in good hands throughout the course of the tour, and it is very likely that you'll be coming back again.

Authentically Catholic

The very reason we go to Rome, the Holy Land and beyond is to discover the greatness of God and His Church.

Small Groups

We prefer no more than forty five in a group. In this way friendships are cultivated and memories are made.

Our Story

ProRome Tours was founded in Rome in 2014 when our founder Joe Long took his unquenchable love for Rome, his education at the Pontifical University of the Holy Cross (MA '14) and his desire to share everything that he loved in life, and created a company. Sharing the stories of the saints and martyrs became the defining characteristic of the ProRome experience, and before long ProRome had to look beyond the Eternal City to where the Faith itself had spread. Partnerships with travel professionals throughout Europe and the Holy Land were developed and before long ProRome groups were visiting the British Isles, greater Europe, and the Holy Land. Since then ProRome has hosted thousands of clients on hundreds of different touring programs across the globe.

There is no better place to go on pilgrimage than the Holy Land, where Christ was born, lived, died and rose again. Of the world's great pilgrimages, this is the greatest. ProRome enjoys an exclusive partnership with a Catholic tour company based out of Nazareth, in business since 1989. We can promise that our tours throughout the Holy Land are led by Israel's best guides, who are also faithful Catholics and experienced pilgrimage leaders. We've designed both student and adult pilgrimages to the Holy Land, and our network of hotels in Israel ranges from budget religious guesthouses to five-star hotels, such as the King David and the Notre Dame guesthouse in Jerusalem.

PRIVATE CRUISES AND CHARTERS

We've cruised the lengths of the Danube and sailed along the Italian coasts. There is nothing that compares to a private cruise through the Old World. The emotion of such an experience is indescribable, as you glimpse towns, country side, castles and churches through the lens of the past: from the deck of a ship. Each moment leaves a lasting and powerful impression. Imagine sailing out of the Bay of Naples and into the Mediterranean, watching as incomparable Naples and Mount Vesuvius fade slowly from view. The setting sun gives way to a warm breeze and brilliant stars. You wonder what tomorrow and the fabled Amalfi Coast might bring, and ask yourself if anything could be better than today. We work in partnership with the world's most trusted cruising outfits - SeaCloud Cruises in Hamburg and AmaWaterways in California - in order to offer custom cruising itineraries throughout Europe and the Mediterranean. They provide the ships, we build the itinerary and operate the land excursions. In this way we can offer your group an experience that is truly custom and built around your vision and goals.

Journeys of this caliber provide the perfect opportunity for private groups and organizations to build and develop relationships, launch fundraising initiatives and foster a culture of friendship and trust among members.
